

Dear Simplot,

After trying a competitor's product with no success on my Tiffgreen Bermuda I felt compelled to write you on how well your Turf Supreme transformed my yards in one week. I was at the point of ripping up the old and starting over, but after I received an estimate of \$2,000, I thought I would try one more thing. I remember using Turf Supreme many years ago when I first had this sod laid down, but I could not find it in any of my local warehouse stores. After some searching, I found the link to you, and then a local distributor that I was able to find it. Needless to say, I was blown away by the radical change in only 6 days, my front yard was green again.

I hardly ever give testimonials, but I wanted to let you know that this product is fantastic, and it even did wonders for my general purpose grass in the back yard too.

Keep up the good work.

Best Regards,
