

BEST® fertilizers deliver a difference you can see in the health, beauty and durability of your plants and turf.

VICON SPREADER SETTINGS

These **setting recommendations** are approximate and meant to be a guideline only. For exact settings we suggest you **calibrate your spreader** at your location. Approximate pounds per 1000/acre are based on wheel to wheel coverage.

Group A Products

4 mph - PTO @ 2700 rpm (40 ft. width)

Spreader setting lbs./1000/acre

18	3.1 / 135
20	3.8 / 165
