In an effort to accurately reflect regional fuel pricing, the J.R. Simplot Company has implemented a program that will adjust fuel surcharges on a monthly basis. The monthly monitoring and adjusting will affect Simplot AgriBusiness arranged truck freight, as well as freight allowances for customer-arranged loads. This program has no impact on base AgriBusiness rate schedules and tariffs.

<b>Effective Date</b>	<b>California</b>	<b>Non-CA Areas</b>	<b>Gulf Coast</b>
February 2024	59%	35%	35%
March 2024	61%	41%	37%

If you have any questions regarding the fuel surcharge policy, please do not hesitate to contact your Sales Manager, Customer Service Coordinator, or the Transportation team. The J.R. Simplot Company values your business, and we appreciate the opportunity to serve you.
