

REQUEST FOR DONATION/SPONSORSHIP FOR CALENDAR YEAR

2023

Please submit request 2 months in advance of event.

Simplot Western Stockmen's Donation/Sponsorship Policy

Simplot Western Stockmen's, like most businesses, cannot afford to contribute to every cause, no matter how worthy. Our policy is to help out organizations or groups having some involvement with agriculture. In addition, we contribute to youth groups, civic organizations and various local fund-raising activities that are taking place within areas where we have a strong market presence. The J.R. Simplot Co. donates to many national and local charities and events. We try not to duplicate those requests.

For the most part, we do not contribute to individuals or sponsor individual participation in contests or competitive events nor do we do many cash donations. In order to fairly distribute our funding, we limit one donation per organization within a calendar year. Please make every effort to limit your organizations representatives from contacting more than one Simplot Western Stockmen's location, as our giving is organization-wide rather than location specific.
