▶ **DRUMSTICK NYLON DOG TOY FOR POWER CHEWERS**

This robust nylon drumstick will make your dog feel especially grateful. With its delicious hickory smoke flavoring, it will last longer than your average dinner (much longer) and even keep your dog happy during the post-meal nap. Spread your dog's favorite spread across the bumps, or simply let your power chewer go to town.

▶ **CHEESEBURGER RUBBER DOG TOY FOR POWER CHEWERS**

Here's a cheeseburger that might not be as tasty as the real deal, but it's an excellent toy for chewing and playing! Made from sturdy rubber and hollowed out, it can be filled with delicious BULLYMAKE treats, perfect for when your dog needs something to do or chew. Made in the USA. Built for dogs 20-180lbs.

▶ **BACON HORSESHOE BY BULLYMAKE**

This robust nylon drumstick will make your dog feel especially grateful. With its delicious hickory smoke flavoring, it will last longer than your average dinner (much longer) and even keep your dog happy during the post-meal nap. Spread your dog's favorite spread across the bumps, or simply let your power chewer go to town.

▶ **HAMMER NYLON DOG TOY FOR SUPER CHEWERS**

Your pooch has a New Year's Resolution: get handy and finish up all those household projects that you've forgotten about. This rugged hammer, made in the USA, will surely be the right tool for the job. And even if your dog misses all the nails, it'll still make for some great chewing sessions. Made in the USA. Built for dogs 20-180lbs.

BULLYMAKE

COUNTRY VET® understands the unique dietary needs of your pets. That's why our high-quality, highly-digestible formulas have been perfected for their balanced, whole-body health. Together, let's provide them with the nutrition they deserve.

With our three brands, COUNTRY VET® Choice, COUNTRY VET® Premium, and COUNTRY VET® Naturals, we're sure to have the optimal formula. Bring out the best in your pets!

COUNTRY VET PREMIUM ACTIVE

Premium Active Formula gives those active, hardworking dogs the fuel they need to perform at the top of their game.

COUNTRY VET CHOICE ACTIVE

Our COUNTRY VET® Choice Active 26/18 formula is just what the name implies. This diet is for the hard-working dog who requires the protein and fat needed to support the physical demands of an active canine. This formula also meets the needs of gestating and lactating females.

COUNTRY VET CHOICE MAINTENANCE

COUNTRY VET® Choice Maintenance 21/8 formula is excellent if your adult dog is simply not as active as some. It may be an excellent choice for off-season feeding or for an older dog that needs to maintain physical condition while preventing weight gain.

COUNTRY VET NATURALS

30/20 ACTIVE ATHLETE

COUNTRY VET® Choice Maintenance 21/8 formula is excellent if your adult dog is simply not as active as some. It may be an excellent choice for off-season feeding or for an older dog that needs to maintain physical condition while preventing weight gain.

COUNTRY VET CAT FOOD

Our cat food is more than just a meal; it's a delectable experience designed to cater to your kitty's discerning palate and nutritional needs. Crafted with care and flavor in mind, our cat food is a gastronomic journey that promises to keep your feline friend content, vibrant, and ready to pounce on life.

**COUNTRY VET CHOICE
KITTEN AND ADULT 30/11**

COUNTRY VET® Choice Kitten and Adult 30/11 formula meets the demands of cat lovers with a high-protein, soy-free product. No artificial colors or flavors, and complete with balanced nutrition, poultry liver, and tuna flavor. Help your cat maintain a healthy weight and coat!

“At Diamond, we believe every pet, from purebred show animal to shelterpuppy or kitten, is worthy of the best nutrition. We also believe every pet owner deserves a great value. When you buy Diamond, you can be confident you are getting premium nutrition without the premium price.

All Diamond®, Diamond Naturals® and Diamond Naturals® Grain-Free formulas are made with the highest quality products and manufactured in America in state-of-the-art facilities. With carefully determined levels of protein, fat and other essential nutrients, Diamond pet foods are formulated to enhance the performance, appearance and overall health of your pet, day after day.”

▶ **DIAMOND HI-ENERGY DOG FOOD**

- Formulated for highly active sporting dogs
- Higher levels of protein and fat to support increased exertion
- Omega fatty acids for healthy skin and shiny coat

▶ **DIAMOND PUPPY**

- Suitable for puppies as well as pregnant or nursing adult dogs
- DHA for proper brain and vision development
- Proper balance of fat, protein and other essential nutrients for proper growth

▶ **DIAMOND NATURALS GRAIN-FREE PASTURE-RAISED BEEF & SWEET POTATO FORMULA DOGS**

- Grain-free formulation* for dogs with sensitivities
- Pasture-raised beef is the first ingredient
- Complex carbohydrates for all-day energy
- Powerful antioxidants and an excellent spectrum of phytonutrients
- Easily digestible; fiber further supports digestion

Diamond Naturals dry dog foods provide complete nutrition with a holistic approach. Every bag or can of dog food is designed to support overall health and wellness and includes superfood ingredients — a source of antioxidants and other essential nutrients — while all dry formulas include guaranteed probiotics for digestive and immune support.

▶ **DIAMOND NATURALS ADULT DOG BEEF MEAL & RICE FORMULA**

- Pasture-raised beef protein for great taste and nutrition
- Guaranteed levels of zinc, selenium and vitamin E
- Omega-6 and omega-3 fatty acids for skin and coat
- Enhanced with superfoods and guaranteed probiotics

▶ **DIAMOND NATURALS ADULT DOG LAMB MEAL & RICE FORMULA**

- Pasture-raised lamb protein is an excellent source of quality protein
- Guaranteed levels of zinc, selenium and vitamin E
- Omega-6 and omega-3 fatty acids for skin and coat
- Enhanced with superfoods and guaranteed probiotics

▶ **DIAMOND NATURALS ALL LIFE STAGES DOG CHICKEN & RICE FORMULA**

- Protein and fats provide your dog energy to stay strong
- With cage-free chicken for great taste and nutrition
- Guaranteed levels of zinc, selenium and vitamin E
- Enhanced with superfoods and guaranteed probiotics

▶ **DIAMOND NATURALS LARGE BREED ADULT DOG CHICKEN & RICE FORMULA**

- Appropriate nutrient levels to fuel larger growing bodies
- Calcium and phosphorus for bone and joint development
- DHA for proper brain and vision development
- L-Carnitine helps convert fat to energy
- Enhanced with superfoods and guaranteed probiotics

▶ **DIAMOND NATURALS LARGE BREED PUPPY LAMB & RICE FORMULA**

- Appropriate nutrient levels to fuel larger growing bodies
- Calcium and phosphorus for bone and joint development
- DHA for proper brain and vision development
- L-Carnitine helps convert fat to energy
- Enhanced with superfoods and guaranteed probiotics

RANCHER'S CHOICE® is a proprietary brand of Consumers Supply Distributing, LLC. (CSD) and is one of the leading animal nutrition brands in the Midwest. With over 60's years of experience in animal nutrition, manufacturing, and distributing, our team applies our expertise to provide customers with quality products and exceptional service.

RANCHER'S CHOICE® feeds are high quality, highly digestible, and palatable. All products are manufactured by CSD in our Sioux City, Iowa plant. We maintain an approved supplier list for the control of all incoming ingredients to assure our customers of safe, high-performing feeds. Our extensive delivery system, which has been around since 1956, allows our customers to have fresh products available in no time.

RANCHER'S CHOICE® ADULT DOG MAINTENANCE
21% PROTEIN AND 9% FAT

RANCHER'S CHOICE® Adult Dog Maintenance is formulated to meet the needs of less active dogs and is designed to provide proper nutrition without encouraging weight gain. RANCHER'S CHOICE® Adult Dog Maintenance features Porcine (pork) meal as a highly palatable and digestible source of protein.

RANCHER'S CHOICE® ACTIVE DOG
26% PROTEIN AND 14% FAT

RANCHER'S CHOICE® Active Dog is formulated to meet the needs of hard-working dogs and is designed to provide the nutrition your active dog needs to maintain proper condition. This formula features highly palatable and digestible poultry by-product meal as the number one source of protein. RANCHER'S CHOICE® Active Dog also meets the nutritional needs of gestating and lactating adult dogs.

A LONG-LASTING REVOLUTION

COLLACHEWS™

WHAT ARE COLLACHEWS™?

COLLACHEWS™ are savory dog chews made primarily of collagen protein, sourced from premium grass-fed cattle. Collagen is the #1 INGREDIENT in COLLACHEWS. CollaChews are a great Rawhide Alternative.

5 WAYS DOGS BENEFIT FROM COLLAGEN

1. STABILIZE JOINTS & PREVENT INJURIES

Collagen makes up 70 to 90% of a dog's muscles, tendons, and ligaments, so the integrity of their joints is dependent upon its presence.

HELPS CLEAN TEETH

PROMOTES GUT HEALTH

ENHANCES HEALTHY SKIN & HAIR

STRENGTHENS JOINTS & MUSCLES

2. IMPROVE AGE-RELATED JOINT PAIN

Collagen loss in the joints that occurs during aging plays a major role in arthritis, degenerative disc disease and tendonitis, three of the most common causes of pain in senior dogs.

3. AID IN DIGESTION

Collagen aids in digestion by breaking down proteins & soothing the lining of the gut.

4. PROMOTES HAIR GROWTH, STRONG NAILS & A HEALTHY COAT

Collagen is responsible for providing a healthy, moisturized dermis; soft, shiny coat; and strong, powerful nails.

5. INSPIRE A HEALTHY APPETITE

Collagen-rich food source is formed when nutrients are extracted from the ingredients in beef.

LIQUID WORMER

▶ INDICATIONS:

To prevent reinfestation of *Toxocara canis* in puppies and adult dogs and in lactating bitches after whelping. For the removal of large roundworms, (*Toxocara canis* and *Toxascaris leonina*) and hookworms, (*Ancylostoma caninum* and *Uncinaria stenocephala*) in dogs and puppies. The presence of these parasites should be confirmed by laboratory fecal examination. Consult your veterinarian for assistance in the diagnosis, treatment and control of parasitism.

▶ APPROVED FOR USE ON:

Puppies and Adult Dogs

▶ ACTIVE INGREDIENTS:

4.54 mg of Pyrantel Base as Pyrantel Pamoate per mL

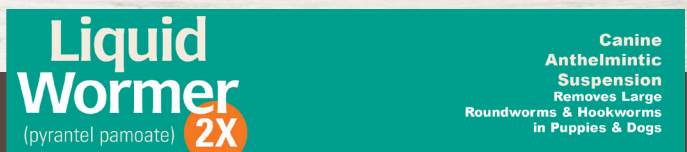

▶ PRODUCT ADVANTAGES:

- Controls both hookworms and large roundworms.
- Safe to use on puppies as young as two weeks.
- Safe to use on lactating bitches two weeks after whelping.
- Palatable flavor dogs love...this means no wasted product.
- Easy to administer.
- Do not have to withhold food prior to using.

▶ DIRECTIONS FOR USE:

SHAKE WELL BEFORE USE.

Administer one full teaspoonful (5 mL) for each 10 lbs. of body weight. To assure proper dosage, weigh animal prior to treatment. It is not necessary to withhold food prior to or after treatment. Refer to product insert (on back) for complete directions.

Palatable flavor that dogs love!

TRIPLE WORMER

Triple Wormer®

(pyrantel pamoate/praziquantel)

▶ INDICATIONS:

Triple Wormer (pyrantel pamoate/praziquantel) Flavored Chewables for Dogs is used for the treatment and control of roundworms (*Toxocara canis*, *Toxascaris leonina*), hookworms (*Ancylostoma caninum*, *Ancylostoma braziliense*, *Uncinaria stenocephala*), and tapeworms (*Dipylidium caninum*, *Taenia pisiformis*) in dogs and puppies 12 weeks of age or older.

▶ APPROVED FOR USE ON:

Dogs over 12 weeks in age, weighing greater than 6 lbs.

▶ PRODUCT ADVANTAGES:

- Easy to give flavored chewable tablet
- Broad spectrum dewormer available OTC
- Treats and controls 7 species of tapeworms, hookworms and roundworms
- Available without a prescription!

DOSAGE AND ADMINISTRATION:

You should weigh your dog to make sure you are giving the right dose. Triple Wormer Flavored Chewables are palatable if offered by hand. If your dog does not voluntarily eat the chewable, you can hide the chewable in a small amount of food or place it in the back of the dog's mouth for forced swallowing.

Make sure that the dog eats the complete dose. Watch your dog for a few minutes after dosing to make sure the chewable is not rejected. Please refer to the following dosing table for help finding the right dose for your dog.

* NOT FOR USE IN PUPPIES LESS THAN 12 WEEKS OF AGE OR DOGS WEIGHING LESS THAN 6 LBS.

Triple Wormer Flavored Chewables Dosing Table for Puppies and Small Dogs* (6 - 25 lbs.)

Body Wt. (lbs.)	No. of Chewable
6 - 12	1
12.1 - 25	2
> 25	Use 114 mg size

for Medium and Large Dogs (25.1 - 200 lbs.)

Body Wt. (lbs.)	No. of Chewable
6 - 25	Use the 30 mg size
25.1 - 50	1
50.1 - 100	2
100.1 - 150	3
150.1 - 200	4

ACTIVE INGREDIENTS:

Each Triple Wormer Flavored Chewable for Puppies and Small Dogs contains pyrantel pamoate (30 mg) and praziquantel (30 mg). Each Triple Wormer Flavored Chewable for Medium and Large Dogs contains pyrantel pamoate (114 mg) and praziquantel (144 mg)

WORMEZE CANINE & FELINE ANTHELMINTIC LIQUID

▶ INDICATIONS:

A liquid dog and cat wormer for use in food or drinking water for the removal of large roundworms, (ascarids) (*Toxocara canis*, *Toxocara cati* and *Toxascaris leonina*).

The presence of these parasites should be confirmed by laboratory fecal examination. Consult your veterinarian for assistance in the diagnosis, treatment and control of parasitism.

▶ APPROVED FOR USE ON:

Cats and Dogs over 6 weeks of age (on back) for complete directions.

▶ ACTIVE INGREDIENTS:

PIPERAZINE CITRATE - 5.25 grams per 100mL

▶ PRODUCT ADVANTAGES:

- Inexpensive control and removal of large roundworms, the most prevalent intestinal parasite to afflict dogs and cats of any age
- Easy to use, may be added directly to pet's water or food
- Safe for puppies and kittens over 6 weeks of age
- Very palatable

▶ DIRECTIONS FOR USE:

Administer one full teaspoonful (5 mL) per 5 lbs. of body weight.

- Apply into pet's mouth or mix into food or water.
- Administer to cats and dogs 6 weeks or older.
- Repeat treatment in 10 days after first treatment.

- An enriched protein shampoo and cream conditioner in one with coconut and lanol extracts, plus shea tree butter.
- For dogs, cats, ferrets & rabbits

DEODORIZING SHAMPOO

- Formula will eliminate foul odors, including skunk spray on coat.
- For dogs, cats, ferrets & rabbits

NO BITE - FLEA AND TICK SHAMPOO

No·Bite™ FLEA AND TICK SHAMPOO

durvet
www.durvet.com

FOR USE ON

Dogs, Puppies, Ferrets and Horses

PRODUCT ADVANTAGES

- Kills fleas and ticks on contact
- Cleans & conditions coat
- Rinses clean, no residue
- Contains Pyrethrum, which is derived from flowers

ACTIVE INGREDIENTS

• Pyrethrins.....	0.150%
• Piperonyl butoxide, technical*.....	0.300%
• N-Octyl bicycloheptene dicarboximide**.....	0.479%
Other Ingredients	99.071%

* Equivalent to 0.240% (butylcarbityl) (6-propylpiperonyl) ether and 0.06% related compounds

** MGK® 264, Insecticide SynergistMGK is a registered trademark of McLaughlin Gormley King Company

DIRECTIONS FOR USE

Wet the animal's coat for 2-3 minutes with warm water. Apply shampoo on head and ears and lather. The repeat procedure with neck, chest, and middle and hindquarters, finishing legs last and paying special attention to the footpads (between the toes) and underbody areas. Wash the head and ear areas carefully, making sure to keep the shampoo out of the animal's eyes. NOTE: A drop of glycerin in each eye before bathing may prevent or reduce irritation if the shampoo gets in the animal's eyes. Pay special attention to the base of the tail, as it is a place frequented by fleas.

Fully lather animal and let lather remain on animal for 5 minutes before rinsing thoroughly with water. NOTE: This final step is an important part of grooming procedure.

For small dogs less than 15 pounds, wrapping the animal in a towel for several minutes to absorb moisture is advised. This also will allow dying fleas and ticks to crawl off animal into towel before drying animal with a towel or blow dryer.

Flea and tick control on the animal is only part of the solution to the problem. The inside of the house and the outdoor area used by the animal must also be treated for complete control. See label for complete directions and precautions.

Flea and Tick Shampoo

NO BITE - EAR MITE & TICK CONTROL

No·Bite™ EAR MITE & TICK CONTROL

durvet
www.durvet.com

DESCRIPTION

No-Bite Ear Mite & Tick Control is to be used as an aid in eliminating mites and ticks in the ears of cats and dogs and for the relief from itching caused by such conditions.

FOR USE ON

Dogs and Cats

PRODUCT ADVANTAGES

- Controls ticks and ear mites
- Helps relieve irritation caused by ear mites
- Better Value - compare to expensive 1/2 oz. and 3/4 oz. bottles
- Squeeze bottle with tip for easy and convenient application
- Eye-catching label design for enhanced consumer shelf appeal

ACTIVE INGREDIENTS

• Pyrethrins.....	0.06%
• Piperonyl butoxide, technical*.....	0.60%
OTHER INGREDIENTS**.....	99.34%
TOTAL.....	100.00%

*(butylcarbityl)(6-propylpiperonyl) ether & related compounds. ** Contains petroleum distillates.

DIRECTIONS FOR USE

Apply 5 drops into each ear twice daily until ticks and mites are eliminated. Do not allow children to apply this product. Use other EPA approved products for treatment of mites and ticks outside the ear.

Ear Mite & Tick

SHIELD TEC FOR CATS

SHIELDTEC[™] FOR CATS

**KILLS FLEAS
AND TICKS
FOR UP TO
30 DAYS**

SHIELDTEC[™] FOR CATS PROVIDES COMPLETE FLEA & TICK CONTROL

ShieldTec[™] For Cats delivers effective protection against fleas, ticks, and chewing lice. ShieldTec For Cats kills deer ticks, brown dog ticks, American dog ticks, and lone star ticks, including those transmitting Lyme disease, Rocky Mountain spotted fever, ehrlichiosis, babesiosis, anaplasmosis, and other tick-borne diseases. Applied as a spot on, ShieldTec For Cats stops existing flea infestation and reinfestation for 30 days.

SHIELDTEC FOR CATS IS AN AFFORDABLE ALTERNATIVE
THAT PROTECTS YOUR CAT AT A FRACTION OF THE
COST OF OTHER FLEA AND TICK TREATMENTS.

FLEAS

TICKS

CHEWING LICE

WATERPROOF

EFFECTIVELY CONTROLS FLEAS BY KILLING ON CONTACT -
FLEAS DON'T HAVE TO BITE TO BE KILLED

KILLS ALL STAGES OF TICKS FOR UP TO 30 DAYS

KILLS LICE RAPIDLY

EFFECTIVE EVEN AFTER BATHING AND EXPOSURE TO WATER AND
SUNLIGHT

HOW TO APPLY (ONLY For Cats & Kittens, older than 8 weeks and over 1.5 lbs.)

Remove tubes from packaging. Using one applicator tube, hold the tube with the narrow end pointing up. Snap the applicator tip across the marked line to allow access to the dotted tip. Holding tube away from you and your cat's eyes, snap the applicator tip to open. Invert tube over cat and use open end to part cat's hair. Apply at a spot between the cat's shoulder blades. Part the hair and place the open end of the applicator just above the skin. Squeeze the entire contents of the applicator and direct the solution in one spot and onto the cat's skin. Allow the area to dry. Only one applicator per treatment is needed. Do not apply more frequently than once every 4 weeks.

**SHIELDTEC FOR CATS IS
EFFECTIVE AND EASY TO USE.**

**TREATING YOUR CAT WITH
SHIELDTEC FOR CATS PROTECTS
FROM IRRITATING BITES AND
POTENTIAL THREAT OF DISEASE.**

SPECTRA SHIELD

CONTROLS FLEAS TICKS

4 MONTH
PROTECTION
AGAINST FLEAS & TICKS

Spectra SHIELD[®]
It's easy! No mess, no stress. Just clip 'n go.

▶ INDICATIONS:

Spectra SHIELD[®] Collar Attached Medallion offers 4 months of flea and tick control for dogs

▶ APPROVED FOR USE ON:

Approved for use on dogs 6 months and older (DO NOT USE ON CATS)

▶ FEATURES AND BENEFITS:

- Quick and Easy, snap on motion
- Flea & tick protection for 4 months at a great value
- Convenient alternative to monthly treatments
- No more hassle remembering to apply every month
- Can be worn during swimming or bathing
- Spectra SHIELD[®] - Sustained Release Delivery System:
 - Continuously releases very small amounts of active ingredients
 - Consistently replenishes the actives to the dog's skin and hair coat
 - Avoids heavy concentrations and variations of active ingredients
 - No activation needed... Just clip'n go!
- Available in 3 convenient sizes
- Available in an eye-catching merchandising shelf display - holds 6 units

▶ DIRECTIONS FOR USE:

STEP ONE - Open clasp and slide around the "D" ring on dog's collar.

STEP TWO - Close clasp halves and press together until it clicks into place.

STEP THREE - When properly closed, both halves will line up evenly. The medallion must swing freely from the "D-ring" on the dog's collar.

NOTE: To open the closed clasp, pull the 2 sections away from each other at the top of the oval to release them and open clasp.

▶ ACTIVE INGREDIENTS:

Zetacypermethrin.....10%
Piperonyl Butoxide.....20%
OTHER INGREDIENTS:.....70%
TOTAL:100.00%
